# So, where would I be without Him?

I wouldn't be. He made me in His image.

I wouldn't have hope because I wouldn't even know about it.

I would be living a desperate and depressing life because I'd be trying to follow my own steps.

I would be eternally lost because I wouldn't know how to "save myself from this crooked generation!"

I would be in total darkness not knowing that goodness, God, existed.
